

Twice a year the LWSS newsletter goes out to all landowners within the watershed. As time goes on the list of mailing addresses becomes inadequate because people move away and new landowners move in. Therefore, we would like to update the addresses and try to reach those people who were missed and did not receive this newsletter.

If your neighbour(s) did not receive the newsletter, please forward this page to them so that they may contact us and be assured of receiving the next newsletter.
