Dear Mr. McCammon,

The Countryside Canada Stewardship Recognition Program award is presented annually to individuals and organizations for outstanding agricultural land stewardship. I am writing to inform you of your selection as one of this year's Countryside Canada award recipients.

Sarah Primeau of the Land Stewardship Centre of Canada nominated you for a Countryside Canada award. Award winners receive a framed copy of a limited edition print of *The Awakening*, a painting by renowned artist Antony John. This artwork was commissioned to symbolize the Countryside Canada Stewardship Recognition Program.

On behalf of our national evaluation committee, congratulations and thank you for your stewardship efforts. I will contact you again shortly to discuss a possible date and venue for the official presentation of the award. Thank you.

Sincerely,

Lynn McIntyre
Director of Stewardship Programs
